AKC # _____ Color: _____ Sex: _____ Born: _____
Tail: Docked Eyes: Left – _____ Right – _____
Sire: _____
Dam: _____

Additional Comments:

Your puppy has had all necessary vaccinations and worming required to date. He/she must receive his/her full set of shots, worming, heartworm and rabies shots as needed to stay healthy. Any puppy not receiving shots as recommended by your veterinarian will not be covered by this guarantee.

Upon receiving puppy, buyer must have their puppy examined by a licensed veterinarian within 7 days for a health check and introduction. If the puppy is determined to be unhealthy by your veterinarian, you would be entitled to a full refund or replacement upon return of the puppy, and associated veterinarian's medical evaluation and records. This guarantee offers a refund within the first 7 days of the puppy price only, it does not cover any other fees incurred. Replacement will be from either a current litter or a future litter of puppies of the same color and sex. If animal is returned for refund or replacement within the first 7 days, the original registration papers must be returned as well.

We extend our guarantee for specified hereditary problems for a period of two (2) years from the date of puppy's birth. Your puppy is guaranteed against hereditary problems of the eye, as certified by a canine eye specialist and hip dysplasia that would cause a painful, unhealthy, life or death. In the event of such a problem, we must receive proof from a licensed veterinarian that there is a genetic problem and that it is not the result of diet or environment. This guarantee covers replacement of the dog only, it does not cover any other fees incurred. Replacement will be from either a current litter or a future litter of puppies of the same color and sex. If animal is returned for replacement, the original registration papers must be returned as well.

In the case of a before mentioned hereditary problem, the puppy/dog may be kept as a pet with proof of spay/neuter and registration papers must be signed over to Leigh Mathena. If buyer decides to keep the puppy/dog in the case of a before mentioned hereditary problem, only half of the purchase price will be refunded.

If you and your vet decide it is in the best interest of the puppy/dog to be euthanized, Leigh Mathena must be contacted prior to this action being taken. The original registration papers must be returned. Replacement will be from either a current litter or a future litter of puppies of the same color and sex. This guarantee covers replacement of the dog only. It does not cover any other fees incurred. Replacement will be from either a current litter or a future litter of puppies of the same color and sex.

This guarantee is offered to the original buyer only. In the case of a sale or transfer of this puppy/dog, this guarantee is null and void. It is against this contract to sell or place this puppy/dog in a shelter or puppy mill. Should the buyer decide to no longer keep the puppy/dog, they must first contact Leigh Mathena for first right of refusal or placement options.

Our pups are eligible for AKC and/or ASCA registration. Unless otherwise stated, this contract is made and agreed between seller and buyer, for a limited registration or companion dog. Buyer agrees this dog will

be spayed/neutered by the age of one year. Seller requires and Buyer agrees, registration names for this dog will begin with "Longshadow (s)".

No replacement will be given if this health guarantee has expired. Seller is not responsible for any veterinarian expenses or shipping expenses accumulated. This puppy/dog must be kept in good physical condition. Any of the before mentioned will void this guarantee.

The buyer (or their representative) of a puppy/dog purchased from Leigh Mathena, hereby acknowledges that they have read and understand this document and accept the terms and conditions of the guarantee for hereditary disorders printed in this document. Upon signing this contract, both buyer and seller certify they have read, fully understand, and agree to the terms of this contract.

This dog, to the best of our knowledge, is free from communicable diseases and has been vaccinated and dewormed regularly as outlined below:

Deworming: *2,3,4 weeks Nemex II 6 weeks: Safeguard 5 days Baycox: 5 and 7 weeks*

Vaccinations: **6 weeks Nobivac 5-way**
