 A deposit in the amount of $600.00 is required to hold puppy. The deposit must be received promptly (within 3 business days) in order to reserve a puppy. The outstanding balance shall be paid to and received by the Seller before the Buyer shall obtain possession of the puppy or any registration papers or health records are provided to the Buyer. Checks are accepted for deposits.

Pick of puppies is given in the order of deposit received. The puppy must be picked out on the day and time as arranged by Seller, so the next pick in line can pick their pup out. Seller retains right of first pick. If no puppy is born matching your desired sex and/or coat pattern, Buyer will have two options: #1 Choice from remaining **available** puppies in current litter. #2: **Same choice** pup from the next available litter.

This deposit signifies that the Buyer intends to follow through with the purchase of a puppy from the Seller. In the event that the Buyer cannot follow through with the purchase of a puppy, the deposit is forfeited and NO refund will be given. The best policy is to be absolutely sure that you intend to purchase a puppy before you send your deposit! If, in the event the puppy were to die or be determined to have a congenital defect that prevents the puppy from being a companion animal, the deposit will be transferable to another pup from the same or a future litter. The Seller reserves the right to void this transaction and refund the deposit, if we feel that for any reason, the Buyer might not be suitable for a puppy. Seller can take up to 30 days to return or refund your deposit.
